ABOUT ME

As a Senior Front-End Developer at CISAI with 3+ years of experience in designing, developing and maintaining front-end web applications who adept in collaborating with cross-functional teams and delivering projects on-time. Proven track record of implementing innovative solutions and staying updated with the latest front-end technologies to drive continuous improvement and meet evolving business needs.

EXPERIENCE

Front End developer

Jan 2021 - Working

CISAI, Kollam - Kerala

- Specialising in JavaScript, Angular and React with foundational knowledge in React Native, I took the lead in developing user-friendly interfaces across various projects, including vehicle tracking systems, AI initiatives, and networking solutions etc..
- Provided support to junior front-end developers after becoming proficient in JS and Angular, resulting in stronger, more efficient tech team.

Internships

Jun 2019 - July 2019

Dream Cyber Solutions, Kadayannallur - TN

- Hands-on experience in front-end web development, focusing on HTML, CSS, and JavaScript during the internship at this Company. Developed foundational skills in creating and styling web pages, as well as implementing basic interactivity.
